Supt. of Education, Jno. S. Derrick of Lexington, was in town last week on official business. Mr. Derrick makes a most excellent official. We will be glad to see him in our town again.

Dr. Timmerman attended the Bankers' association in Columbia last week. Mr. Landon Quattlebaum paid a visit to Camden Sunday. Such an extended trip on such short notice, evidently means something. Watch out "Lad!"

We are sorry to note the continued illness of Rev. J. D. Crout. Since Mr. Crout has been in our city, he has endeared himself to all. The Advocate misses his occasional visit and we devoutly pray for his speedy recovery. DeWitts Little Early Risers search the remotest parts of the bowels and remove the impurities speedily with no discomfort. They are famous for their efficiency. Easy to take, never

Mr. Branch of Augusta, has been on a visit to his daughter Mrs. Whitten. Mr. Branch joined his Carolina comrade in living over again the days of 60 at the Columbia reunion. What is the matter with having the Cure? Very clean-cut—why can't we? Try the new remedy for constiveness, Chamberlain's Stomach and Liver Tablets. Every box guaranteed. Price, 25 cents. Our town furnished her quote to the old veterans reunion last week. Es Shelton Mills flour, and grow healthy, wealthy, and wise—D. R. Hattaway. Our old friend Wilson Gunter of Columbia was here last week. Wilson is a good fellow and wears always glad to shake his paw.

Mr. Jesse Collum was among the number who attended the Reunion in Columbia last week. This was his first visit to Columbia in thirty six years. The last time he was there, it was as a soldier boy in the defense of the S. Island. Mr. W. J. Baxter of North Brook, N. C. said he suffered with piles for fifteen years. He tried many remedies

Our old friend Sherad Wigham came to town and joined his comrades in their reunion at Columbia. Brother Sherad says he is a Simon pure Democrat, all of which we believe. Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeiters. If you get DeWitt's you will get good results. It is the quick and positive cure for piles.

We have received an invitation to the Cherry College commencement. We return thanks to Mr. D. R. Risser of Saluda's county, for the beautiful invitation. Mr. Risser is a brother of our old friend Nancy Risser—a family whom we thoroughly believe in education. Such a family is a credit to any community. The class numbers thirty two and among that number is Mr. Risser. We wish for him much success.

The last in quantity and most in quality describes DeWitt's Little Early Risers, the famous pills for constipation, and liver complaints. Prof. D. B. Busby principal of the Moneta High School, was in town Monday afternoon. Prof. Busby has the reputation of being one of the most celebrated teachers in the state. He has been engaged in the profession of teaching for thirty five years. During that period he has taught thousands of young men from this and adjoining states.

You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease. Leevie's college picnic last week was represented from our town, among them, Miss Sallie Gregory and Eva Glover. These young ladies are very popular in the social circles of Batesburg.

Mrs. J. B. Plunkett, formerly of near Batesburg but now of North, S. C., spent Sunday here as the guest of her sister, Mrs. L. C. Hartley. She returned to North Monday morning. Mrs. Adella Jones and Mrs. Rosa Bente Gunter of Sevier, visited relatives in Batesburg on their return home from Saluda last week. Col. B. Hoyt Hartley spent Sunday with the home folks. "Mon" at The Advocate office is getting rather low. A hint to the wise is sufficient. Prof. Eugene Unzer of Emory, was down with a load of cotton, last week. A hustler in every way. Mr. Buzhardt of Wards, came in to see us last Saturday. We are always glad to see him.

We fully intended being on hand at Prof. Bowler's picnic, but the time slipped on us before we knew it. We know from past experience, that every body had a good time. "I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I cannot praise Kodol Dyspepsia Cure too highly," thus writes Mrs. G. O. Roberts, North Creek, Ark.

Old soldiers Experience. M. M. Austin, a civil war veteran, of Winchester Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at Gunter's Drug store.

Mr. E. H. Folk of Edgefield, spent several days in our city last week on professional business. A goodly number of our boys had the privilege of having Mr. Folk as their teacher; and well do we remember the "whacks" he gave us, but not a lick of "amiss."

THE HOME GOLD CURE. An Ingenious Treatment by which Drunkards are Being Cured Daily in spite of Themselves. No Nauseous Gases. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit. It is now generally known and understood that Drunkenness is a disease, and not weakness. A body filled with poison, and nerves completely shattered by derelict or constant use of intoxicating liquors, requires an anti-toxic capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business, by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how long a drinker. Our records show the many successful transformations of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum, but is a specific for this disease, and is so skillfully devised and prepared that it is thoroughly palatable and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drug stores have cured themselves with this priceless remedy, and its many more uses are not mentioned here. It is a cure for men by having their "GOLD" administered by loving friends and relatives without their knowledge in coffee or tea and believe today that they discovered drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing it within the reach of everybody a treatment more effectual than others costing \$3 to \$50. Our directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world, on receipt of One Dollar. Address Dept. 1, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

The Batesburg Institute is preparing for the coming commencement. We sincerely trust that the management will have some one to address the school from a distance. It is an out time for the boys to don their shirt waists. Several of our sports will make their appearance in their new garb. The fact of the business, we are contemplating such a step ourselves and we are typical school toppers.

FALLING HAIR. G.F.P. GERTLE'S FEMALE PANACEA. Which cures the diseased condition, purifies the blood, and puts every organ of the body in perfect health. It is Nature's greatest aid in all those functions peculiar to the sex. It acts specifically on all womb and ovarian troubles. G. F. P. IS A TONIC AND REGULATOR. It affords me great pleasure to write a few words in praise of your splendidly made tonic, G. F. P. I was run down and debilitated generally, caused by menstrual irregularities, and although I tried different remedies I received no benefit from them. For two months before I commenced using your G. F. P. I suffered intensely and continually. It is no exaggeration to say I began to feel easier in one day after using it, and now after using one bottle I want to say to suffering women, by all means use G. F. P. for your troubles. MISS NANCY COLLIER, Milledale, Ga.
